FOREWORD

Letter from the Editor

Why is Helix a great institution of learning? Why is Helix unique? Why has Helix been so successful in all aspects of high school life this past year? What has caused this NEW Helix? The students themselves have caused it. They have brought about the continued and renewed successes our school has enjoyed.

Searching for knowledge . . . striving for success . . . pursuing excellence — these phrases are indicative of the type of student we have here at Helix. It is these students who know and understand the great diversity of activities, the excellence of the athletic teams, the wide variety of clubs, the quantity and quality of the four classes, and the knowledgeable and helpful faculty we have at Helix.

It is because of this awareness that we of the 1965 **Tartan Staff** have selected this year's **Tartan** to present Helix as you, the students, see it.

From the practice field to the big game, from the hours spent on homework to that well deserved "A" or "B" achieved in the classroom, it is our hope that the 1965 **Tartan** will recapture the total picture of Helix during the past year. May this total picture serve as a pleasant memorandum of the past, while also serving as a helpful aid in planning your future.

Sincerely,
Jim Person
Editor-in-Chief

Joa real sweet girl. It's been fun learning you in my gym class. Hope to see you next year. Be good and have fun this summer.

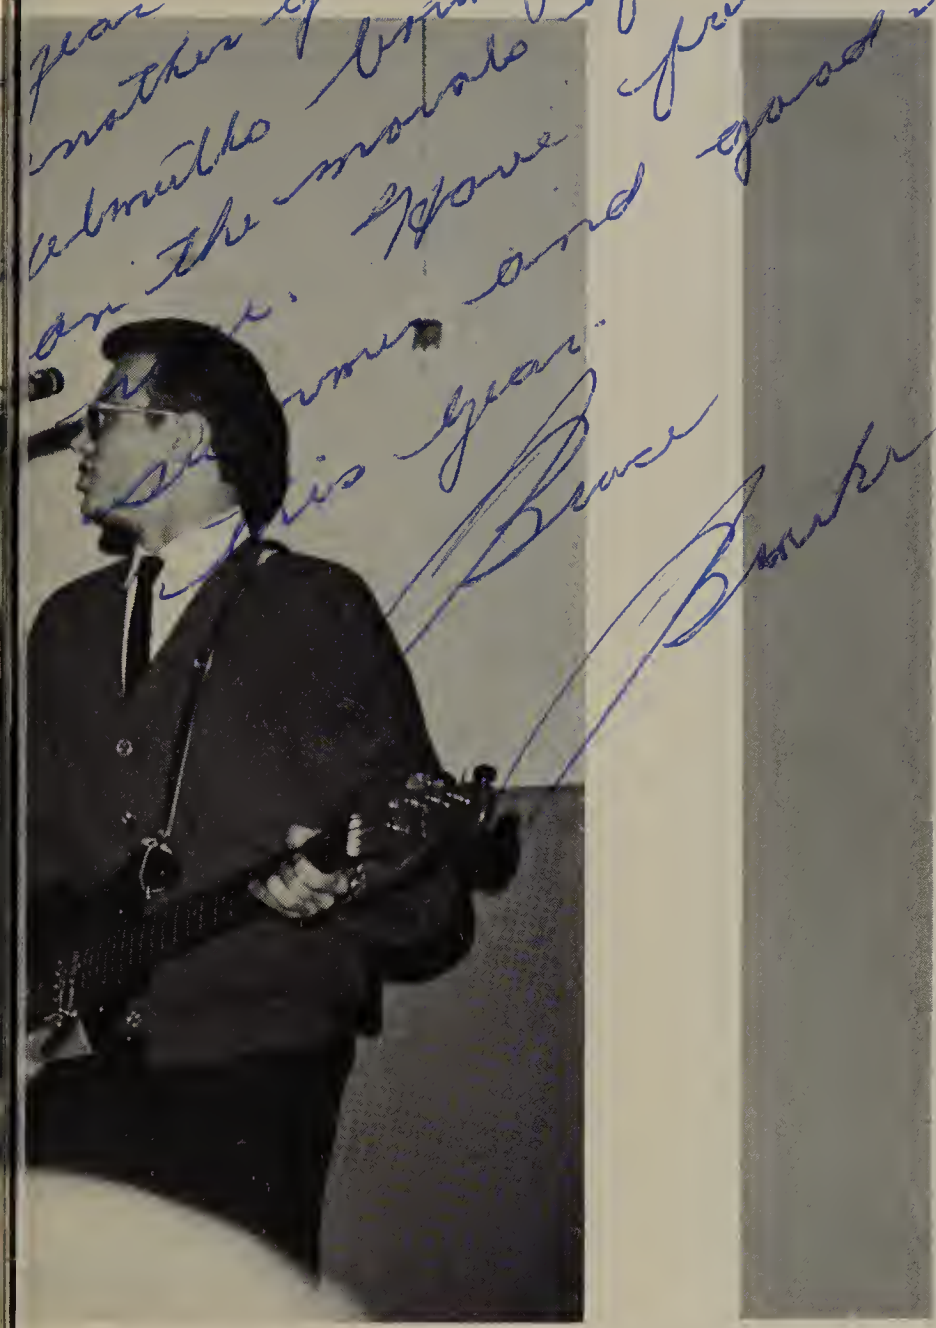
COMING
EEN

Well, another school year has ended. Another year without admitting bring lectures on the models of the woman [illegible] Have fun this summer and good luck this year.
Bruce Brooks



A wonderful & happy senior year. Have that last year Hard!

SENIORS

. . . Becoming a Senior is something every student looks forward to with anxious anticipation. Seniors are looked up to and revered as the leaders of the clan. Certainly the three years spent in diligent study and preparation make the class of 1965 worthy of this honorary leadership. The events of the Senior year, from electing our Senior Officers to graduation, all played an important role in the success the class of '65 enjoyed. The Freshmen, when entering Helix, look upon Seniors with awe, amazement, and even fear. The Sophomores begin to believe they are human. Finally, the Juniors dedicate themselves to the task of becoming worthy of the title of Senior. This, then, is the great Senior Class of 1965 . . .

To a real sweet girl who I don't know very well but know enough to know your sweet tender wholeness

Guadalupe Guerrero (Arty)

DEDICATION

Mrs. Stinnett

The Senior Class dedicates this year's **Tartan** to Mrs. Helen Stinnett. Mrs. Stinnett's inspirational help and guidance has been one of the major factors in making these past four years as successful as they have been. Her office door has always been open for students with problems both large and small. One of the busiest people on campus, she has always found time to be a friend as well as a counselor. It is with great pleasure that we dedicate the **Tartan** to Mrs. Stinnett.

CLASS HISTORY

FRESHMAN

Pres. Hillix

Vice Pres. Wilson

Sec. Berry

Treas. Slocum

Our freshman year was one of excitement and adventure. A fond remembrance will be of the passing through the Tartan for the first time. Led by capable officers, we had a successful initiation into the Highland Clan.

SOPHOMORE

Pres. Limpic

Vice Pres. Slayen

Sec. Berry

Treas. Walker

In our sophomore year, the following important class committees were formed: Publicity, Money Making and Junior Ring. Our class unity and spirit had greatly increased with the leadership of our class officers.

JUNIOR

Pres. Yale

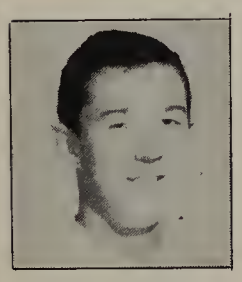
Vice Pres. Lucero

Sec. Beishline

Treas. Deeks

During our junior year at Helix, we were established as a very efficient and hard working class. We initiated many events such as two dances, a Clean Campus Day and Pie-Eating Contest, the Junior Newspaper, and Dues Collection.

SENIOR



Pres. Burnett

Vice Pres. Person

Sec. Bouterious

Treas. Evans

Our senior year was by far our most successful year at Helix. Important events throughout the year were the Senior Car Wash, Barbecue, Play, Banquet, and our Senior Prom, held at the Grant Hotel. Vickie Clark was crowned Homecoming Queen. Ellen D'Amico was our foreign exchange student to Turkey, and our visiting student was Aladin Mohammed Wahba, whom we were very fortunate to have with us during this school year.

FOREIGN EXCHANGE STUDENT

Aladin Mohammed Wahba
Egypt

Aladin Wahba, our 1964-65 foreign exchange student was born in Cairo, Egypt. He is seventeen years old. His favorite food in Egypt is roasted rabbit and a special food called "Molokheya." He likes hamburgers and hot dogs with a lot of mustard because American food is not as spicy as that served in his native land.

He has a brother, Ahmed, and two sisters, Nora and Awal. Aladin misses his family and friends but likes the people here very much because they are all so friendly to him.

The school system is quite different from his in Egypt. There he goes to school from 8:30 to six. They do not have as many activities or social events as one finds here. Aladin also likes the dating system here. When he returns to Egypt, Aladin plans to study at the faculty of Economics and Political Sciences at the American University in Cairo.

Pictured with her family at Florya, is Ellen. Her family (left to right) sister Edal, 18, her father, her mother, sister Sema, 16, and (bottom row) sisters Betul, 13 and Sedal, 17.

The American Abroad last summer was Ellen D'Amico. Notified of her selection in June, Ellen sailed to Rotterdam, The Netherlands, and arrived in Turkey early in July. For the rest of July, she lived with her family at Florya, a campground on the Sea of Marmara. Her family lived in tents at the camp, as it is the custom of Turkish families to move to the beaches during the hotter summer months.

In August, Ellen and the Dokuztug family moved back to their apartment in Bakirkoy, a suburb of Istanbul. Her father was a dentist and the family kept, as pets, twenty-four canaries on a balcony of the apartment. Early in September, Ellen flew to Amsterdam and sailed back to America on the **University of the Seven Seas.** She arrived home in the middle of September.

Ted Limpic was chosen by Mrs. Stinnett to attend Boys' State on June 20-28. Boys' State is sponsored by the American Legion for the purpose of learning more about state and local government. Ted was elected County Superintendent of Schools in the mock government that was set up.

GIRLS' STATE

Sharon Battram was Helix's representative to Girls' State. Girls' State was held on June 22-30 and is also sponsored by the American Legion. The girls stayed on the University of California campus at Davis. Sharon was elected mayor of her city, and participated in city, county, and state elections.

SENIOR PLAY
CYRANO DE BERGERAC

This year's Senior Play, **Cyrano De Bergerac,** was one of the most successful productions ever to take place in the Little Theatre. Cyrano tells the story of an unrequited love. The play, full of comedy, suspense, and tragedy was enjoyed by all. A special round of applause should be given to Mr. Edward Frank for his outstanding direction of the entire production. This memorable presentation opened December 3rd and ran the fourth, fifth, tenth and twelfth.

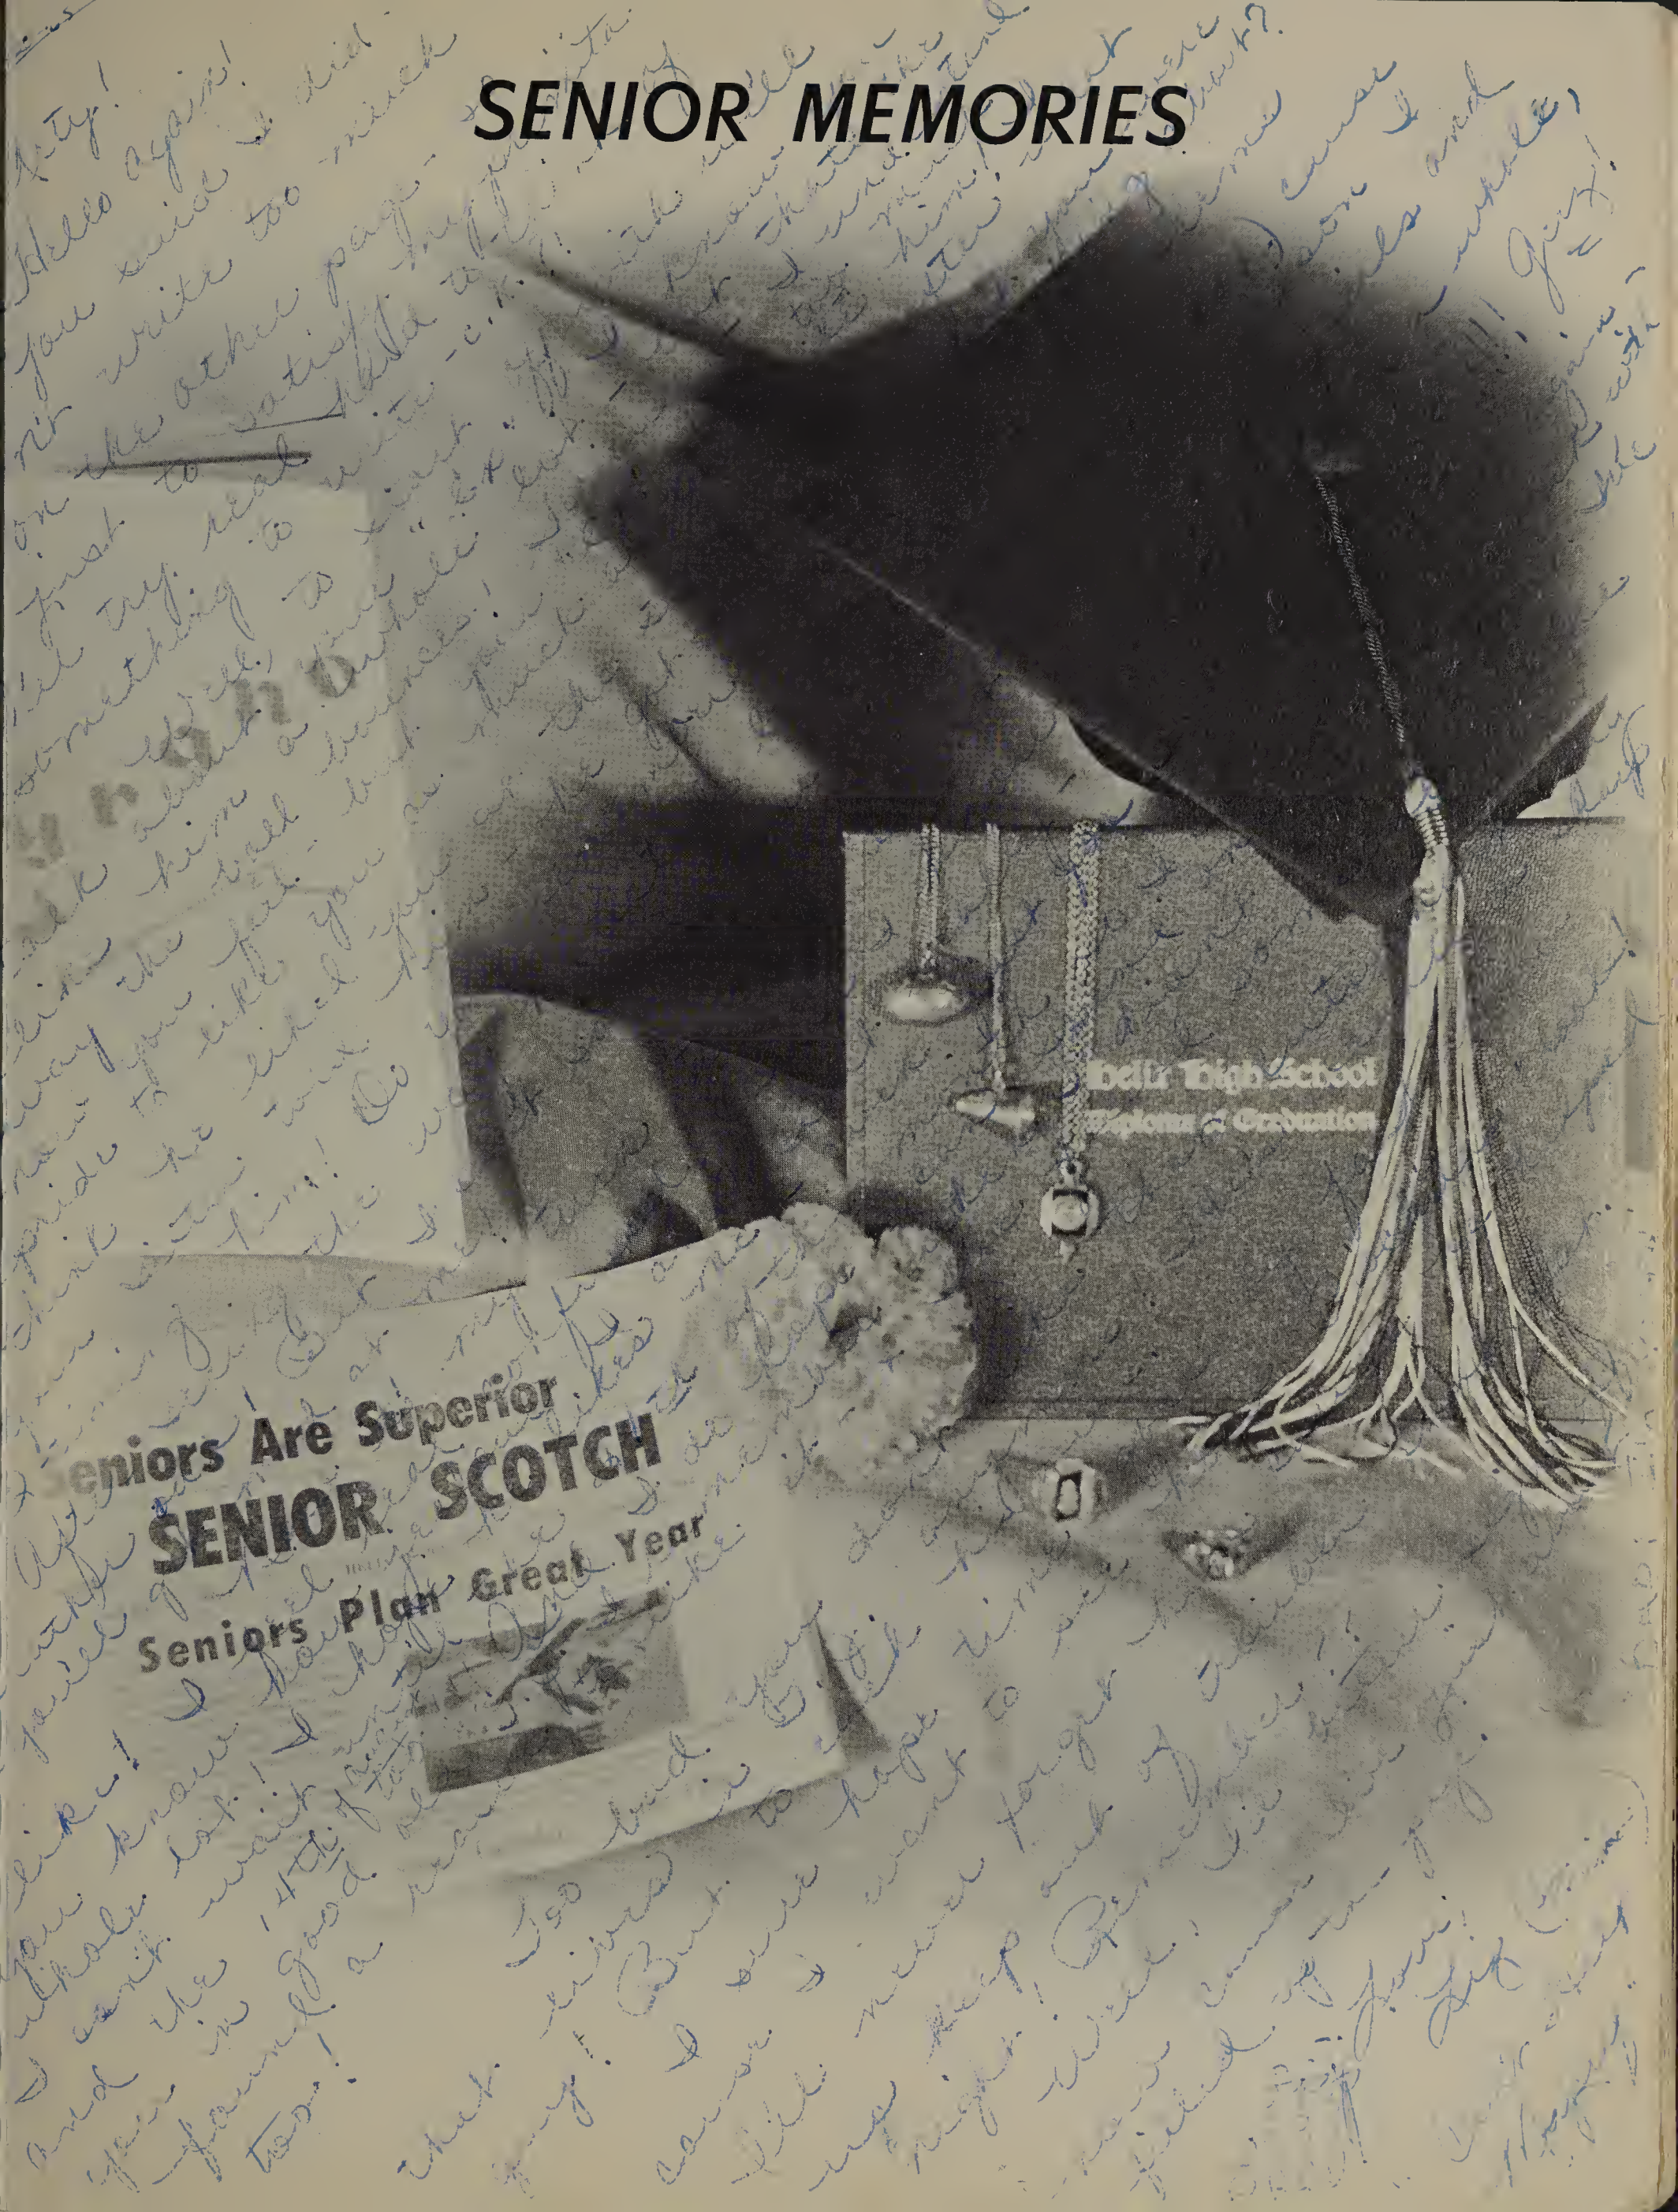
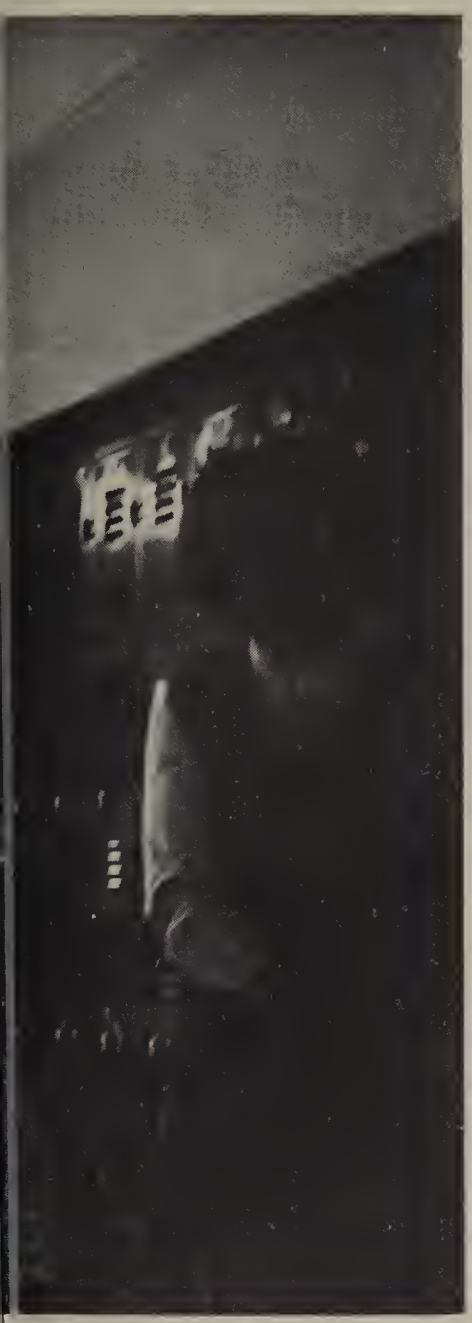
SENIOR MEMORIES





CLASSES

When a student first walks through the traditional Tartan he is receiving recognition as a classman. He is accepted as a Freshman and becomes part of the Helix clan. As this student proceeds up the class ladder, he matures both physically and emotionally. This new student to high school represents individuality and a great diversity of interests. This student and all other students have their imagination and emotion unified through class and school spirit. Throughout the student's high school career, he is striving for social and educational prominence. The following section presents that something which gives unity to the students without losing individuality, the classes.

Junior Class

During the past year the Junior Class has continued to distinguish itself as one of the most efficient and hard-working classes at Helix. Every activity the Junior Class has participated in has had that little extra which made it outstanding. Among these were two dances, a pie-eating contest, a caroling party, the Junior Party, a Junior Paper, a bake-sale, and a car wash. This fine record is due to the class's tremendous spirit and participation. The class is looking forward to a very successful senior year.

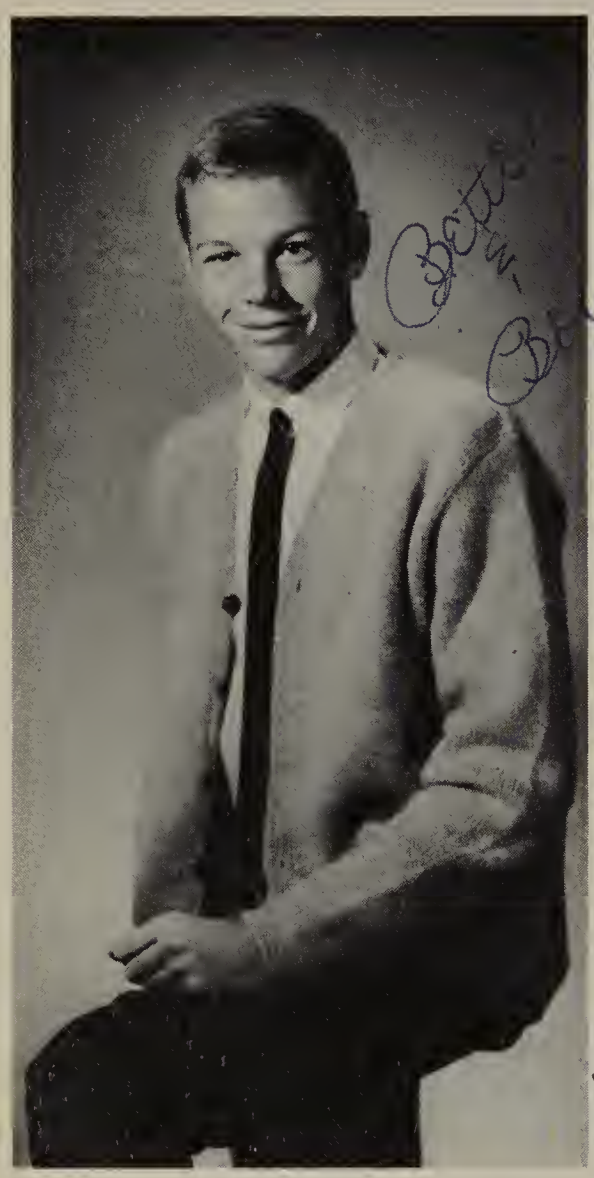
SOPHOMORE CLASS



Bob Little
President

This year's Sophomore Class did more for Helix than any other 10th grade class when they painted the football scoreboard. Other activities included a car wash, bake sale, pie-social, and the Sophomore Class Dance.

It is the only class this year to organize successfully and to carry out a class council, which is made up of a representative from each 10th grade English class. The council has organized most of the activities this year. The participation and spirit of the members of the class of '67 indicates a very promising future.

Arty - Its really been sharp knowing you and meeting you this year. Your really a sweat, cute, brithin, funny chick. I sure do hope to see you this summer. In fact I hope I always see you around. I never, never forget what happened after the party, that night. It was the best thing that ever happened to me in my life. I will always remember the first time I saw you and the first time I said "Hi" to you in the halls. I will always remember the first time I danced with you at the school dance and the time I got that note of you with the sweet perfume you use. Your really a sweet girl and I hope I will get to know you better and better and better and . . . . . Here is a poem I wrote about you, I hope you like it because I really mean it.

You are so cute and funny,
It makes cloudy days sunny,
Your as sweet as honey,
It makes the bees feel funny.
Don't ever change,
For you be ashame,
To let go all you got,
Because Baby you got a lot.
You've got personality and poise,
You make dolls look like toys.
You've got looks as sweet as honey,
What you got you couldn't buy with money.

I wish you Luck always. Have a good summer. Don't come to school next year different, stay the way you are. You are the sweetest girl in the world. My Love is with you always.

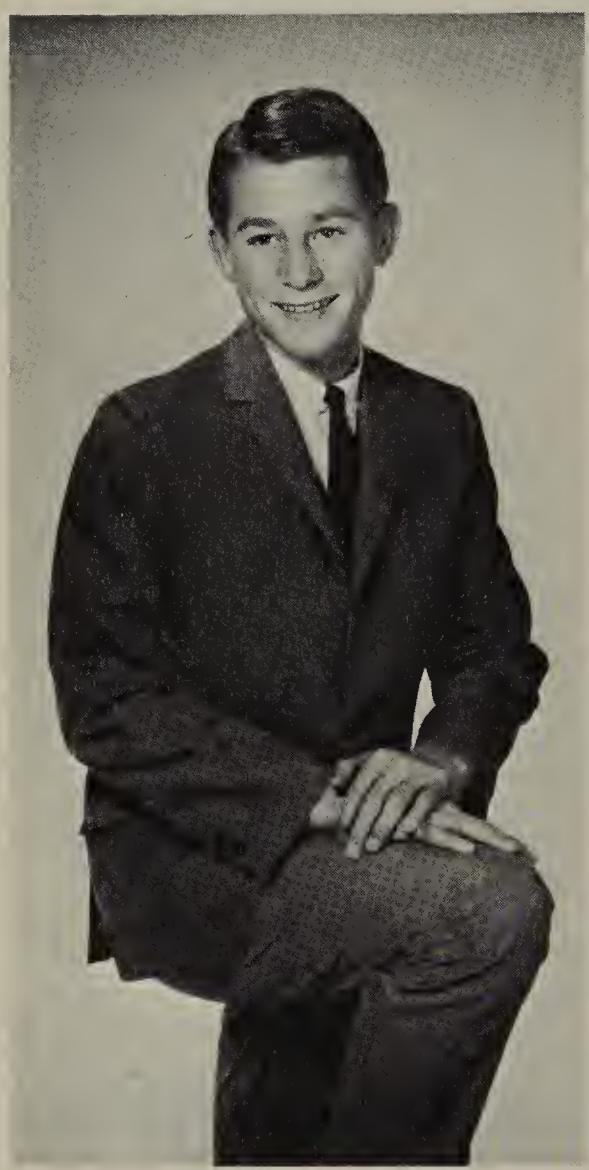
FRESHMAN CLASS



Don Limpic
President

This year's freshman class has outdone last year's with forty people taking out petitions for office, 32 returning them, and an increase in voting participation. Their activities included a bake sale and a dance. The class is governed by the Frosh Council. It is divided up into three committees; Activities, Finance, and Publicity. With such an enthusiastic start, the class of 1968 should prove to be exceptional in all respects.

CLUBS

Clubs always have been and always will be, an essential part of the life of a student attending Helix. The great diversity of clubs offers many well organized and regulated extra-curricular activities on campus. Clubs are the union of like interests shared by individual students. Be the interest in sports or hobbies, spirit or scholarship, the student at Helix finds himself surrounded with various clubs suiting his needs and desires. The next section of the 1965 **Tartan** is devoted entirely to these unions of interest, clubs of Helix High.

Arauila
you're a queen
and I
love all girls and
think you'll stay that way.
But just in case my
wish to you for good luck.
Your friend,

INTER-CLUB COUNCIL

The Inter-Club Council, composed of representatives from every on-campus club, works to co-ordinate all club activities and to create unity for these activities. The Council, led by Attorney General Ron Coover, sponsored a Club Week at the beginning of the year to acquaint students with the purposes and activities of registered clubs.
The individual clubs co-operated through the Inter-Club Council to organize the traditional Hoot-Mon Night for the entertainment of Helix students. Hoot-Mon Night is an annual, year-end event similar to a carnival. Besides entertainment, its purpose is to instill a Scottish feeling in the student body. Booths, which are sponsored by individual clubs, range from candied apple, snow cone, and pizza booths to water balloon throw, jail, and marriage booths.

Ron Coover, Attorney General

KEY CLUB

One of the most important and influential clubs on campus is the Helix Key Club. The Key Club, which is sponsored by the Kiwanis Club, works to promote the adoption and application of higher standards in scholarship, sportsmanship and social contacts within the school and the community. Led by President Toddy Martinez, the officers and their advisor, Mr. Gene Brophy, the members sponsored several drives and car washes, an entertainment assembly for the student body, and a Key Club banquet.

Established to secure better relationships between the lettermen, to promote sportsmanship, both on and off the field, and to serve the community, the Helix Letterman's Club is open to all lettermen, both Varsity and Junior Varsity. This year, the Letterman's Club, advised by Mr. Warren Vinton, sponsored the traditional Senior-Faculty football, basketball and baseball games. They also held an Ugly-Man Contest and joints with other schools.

LETTERMAN'S CLUB

GREEN PEPPERS

Love Always Bobby

Sparking spirit throughout the year, the Green Peppers is one of the most effective clubs on campus. The purpose of the Green Peppers is to promote spirit at all the athletic contests during the year. To accomplish this, they helped decorate at all the games, and formed special cheering sections for Green Peppers only. The club, which is open to any Helix student, was led by President Toni Detweiler, Vice President Lois Melichar, and Secretary-Treasurer Christy Harms.

SENIOR Y-TEENS

At Helix there are four different Y-Teen groups, Senior, Junior, Sophomore and Freshman, which are all affiliated with the YWCA. Each group has its own advisor, officers and activities during the year and they all co-operate on certain projects through the Y-Teens Inter-Club Council. The goals of the Y-Teens are: to grow as a person, to grow in friendship with people of all races, religions and nationalities, and to grow in the knowledge of God. Each group has service and social projects and also participates in county and state conferences and projects.

The Senior Y-Teens, led by President Janice Ambler, began the year by playing the Mount Miguel Senior Y-Teens to a 6-6 tie in this year's Powder Puff football game. They had several joints with groups from other schools and also held a scavenger hunt to collect clothes for a Mexican orphanage.

The Junior Y-Teens, led by President Barbara Torrey, adopted a hospital and made puppets for donations as service projects. They had several joints throughout the year and had a hay ride at the end of the year.

The Sophomore Y-Teens, led by President Linda Green, adopted an orphanage and held an Easter egg hunt for under-privileged children. They also held several joints and had a barbecue for the members.

The Freshman Y-Teens, led by President Dee Dee Brown, held a sock hop during Christmas vacation and had a slumber party for the members. They also helped in the initiation ceremonies of the newly-formed Hi-Y.

INTERNATIONAL CLUB

President, Ron Hott

Vice President, Greg Cheung

Secretary, Narda Zacchino

Treasurer, Judy Howard

The International Club, which is open to all students who are interested in the club or in international affairs and conditions, works to promote friendship and understanding among the people of all nations. The club, advised by Mrs. Dorothy Messier and Mrs. Jean Costa, sponsored a potluck dinner for all the exchange students throughout the county, the annual French, German, and Spanish nights and a sale of an International Recipe book. The International Club is a part of the American Field Service and works each year to help bring a foreign exchange student to Helix.

CAMPUS LIFE

Campus Life, which is the largest club on campus, is a Christian fellowship club for the students of Helix. Led by President Ted Limpic, the club got off to an active start this year. At the Tub-Pac, which was co-sponsored by the Campus Life Clubs of San Diego County, Helix packed 29 students into a lavender, fur-lined bathtub. Pictures of this were printed in newspapers as far away as Washington, D.C. The Christmas Assembly, which was sponsored by Campus Life, featured the Youth For Christ singers and Orchestra. Campus Life also sponsored a "Super-dooper Ice Cream Scoop," a painting party in which none of the painters could touch the "canvas" directly, and in conjunction with the county-wide groups, an elephant race in Balboa Park. They also held a hootenanny, a pillow fight, and numerous night meetings, which, along with the regular morning meetings, featured a variety of speakers.

CALIFORNIA SCHOLARSHIP FEDERATION

The California Scholarship Federation is an honorary society at Helix. It is open to all students who receive at least ten points a semester. These ten points are accumulated with three points per "A" and one point per "B" in academic courses. Students who have been members for at least four semesters, at least one of which is in their Senior year, are eligible for life membership and Seal Bearer status.

Throughout the year the club has been working to encourage academic excellence. They have had classroom lectures on all fields of studies and have taken field trips to many educational places throughout the county.

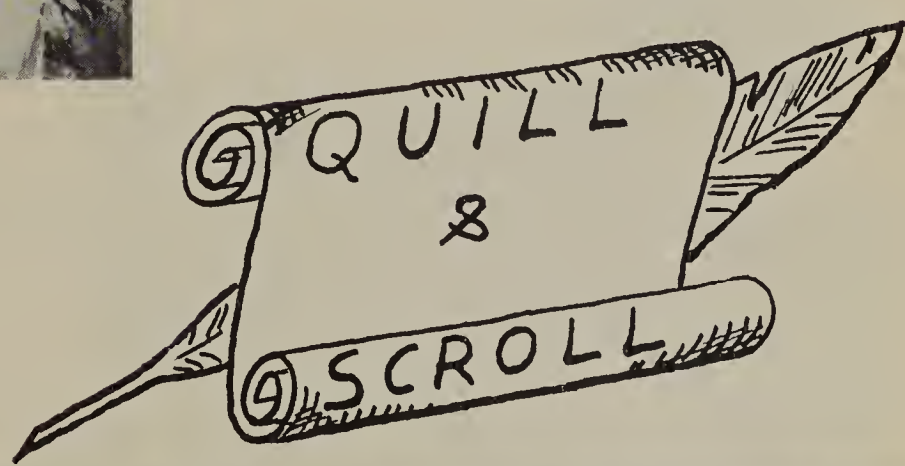
NATIONAL FORENSIC LEAGUE

The National Forensic League provides an opportunity for self-expression, an opportunity for the development of skill in public speaking, and an opportunity for students to get help in gaining poise and ease in addressing groups. The group at Helix, which was led by President Ellen D'Amico, Vice President Donna Wilson and Secretary-Treasurer Charla Hess, is a part of the national organization and is open to any student interested in debate and competitive speech. Members of the league participated in many local and state-wide speech tournaments and the league sponsored the annual Freshman-Sophomore Speech Tournament. At the end of the year, perpetual trophies were awarded to the outstanding students in each speech category with a special award for the member with the most service to the club.



Quill and Scroll, an honorary journalism society, works to improve the status of journalism work in the school, and provides leadership for chapter members. The society accepts members who are either juniors or seniors, in the top third of their class, recommended by advisors, and who have taken at least one semester of a journalism or publication course. This group, part of a national organization, held a recognition banquet to honor new members. The society was led by President Sharon Battram, Vice President Denise Evans, Secretary Diana Ferrin and Treasurer Narda Zacchino.

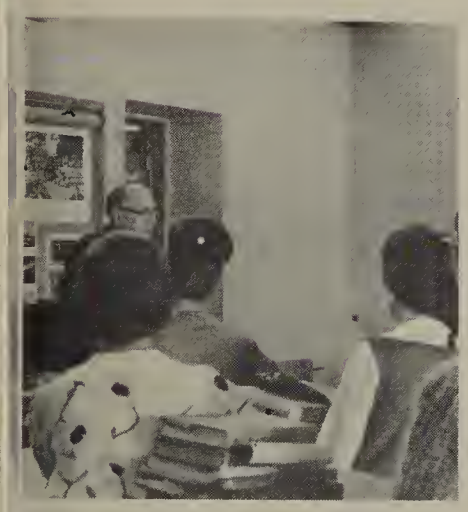
Phi Beta Chi, more commonly called the Science Club, is based on furthering students' interests in science and providing for these students the opportunity to associate with fellow science students and professional people in the sciences. Members must have taken or must be taking a science course and be recommended by their science teachers.

This year the club has had lectures and films on such topics as atomic energy, radio astronomy, and biology. They took several field trips including visits to the Planetarium at San Diego State, the Zoo Hospital, and Scripps Institution of Oceanography.

KILOCYCLES

President
BILL HALLIGAN

The Kilocycles Radio Club has been active this year in promoting amateur radio and electronics. Led by President Bill Halligan, Vice President Rick Benbow, and Secretary Robin Orbin, they took field trips to the KCBQ radio station and to the KOGO television transmitter. Under the supervision of Mr. Cox, the club operated their ham radio station and communicated with other ham operators throughout the country.

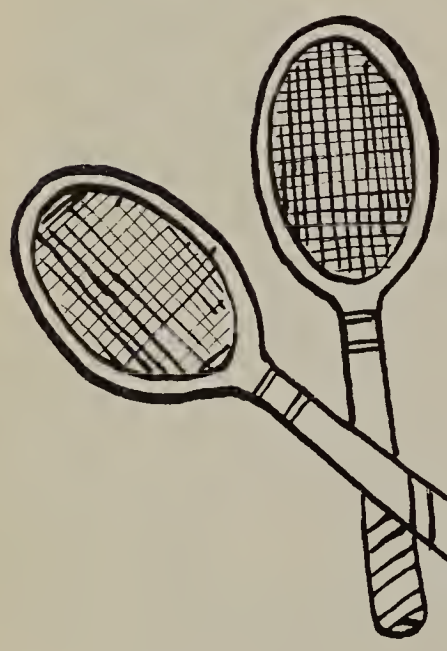


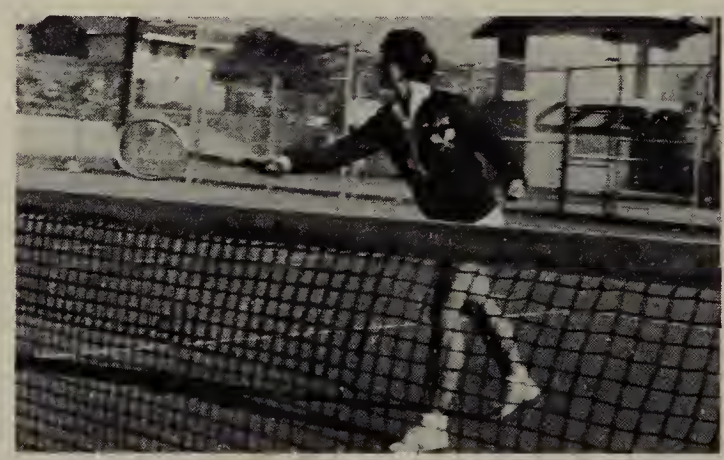
PHI ALPHA TAU

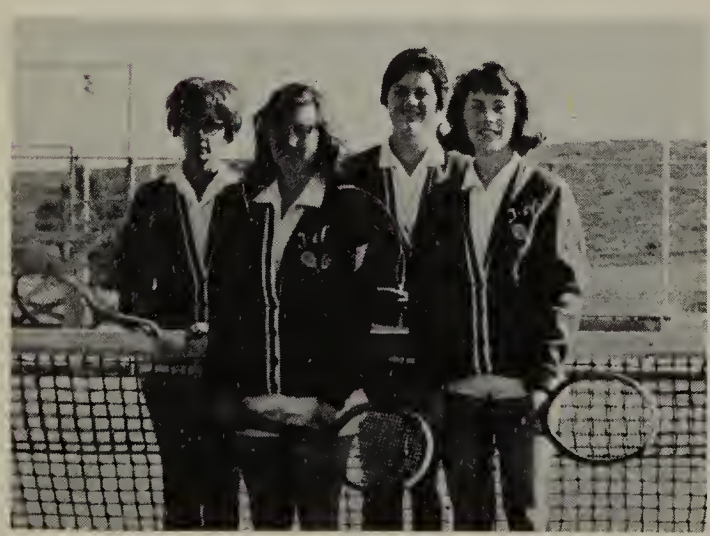
To interest students in the art of elementary and high school teaching is the goal of the Phi Alpha Tau. This club, more commonly called the Future Teacher's Club, had guest speakers from the Helix faculty. Aladin Wahba, our foreign exchange student, spoke to the club on schools in Egypt. In March, the club participated in the Future Teacher's Conference at San Diego State college. They also sponsored the Candy Apple Booth at Hoot-Mon Night.

President
DON POGOLOFF

The Tennis Club provides the girls at Helix the opportunity to participate in a competitive sport with other girls. The club, led by President, Sue Hinck; Vice President, Marty Phillips; Secretary, Sandy Winters; and Treasurer, Ellen Pallulat, is divided into two parts. One part, coached by Mrs Diridon, is made up of girls who are interested in playing tennis in competition with girls from other schools. This year, the club placed third in their league. The second part consists of girls who are interested only in the recreation aspects of tennis.







Officers

TENNIS CLUB

CYCLING CLUB

Led by President Steve Schwab, Vice President Leo Rogers, Secretary-Treasurer Bill Gord, and advisor Mr. Jack Munson, the Cycling Club has had a fine year of recreation and competition. The club, open to anyone who owns a bicycle, took rides into the back country. Races, sponsored by the local chapter of the American Youth Hostels, were held between other clubs in the county. At the end of the year an overnight ride was held in the Laguna Mountains as a farewell to the graduating seniors. They are also planning a trip to Arizona this summer.

BOWLING CLUB

President, John Wood

Vice President, Steve Revella

Secretary, Virginia Livingston

The Bowling Club is open to any Helix student who has genuine interest in bowling. The club is divided into teams, and a tournament is played each semester. The two winning teams meet at the end of the year to determine the championship team. Some of the teams also competed in the YBA National Handicap Tournament. At the end of each season, a dinner banquet is held and trophies are distributed.

DISTRIBUTIVE EDUCATION CLUB

Officers: Sam Prieto, President; Marge Deacon, Vice-President; Sue Erkman, Secretary; Jorja Deeks, Treasurer.

The Distributive Education Club at Helix, which is a part of the Distributive Education Clubs of America, is an organization with the purpose of learning the many interesting aspects of business careers and strengthening the individual's confidence in himself. The club held many money raising projects throughout the year, such as a tooth brush sale, bake sale, car washes, and fashion shows. Within the district association, the members participated in several conferences, a Christmas present wrapping service and a Spring banquet. At the state conference held in Indio, California, Nancy Stacy was elected state secretary, and Nancy and Diane Krusesky placed first in Copy and Ad Layout.

Pres., Charles Duggie; Vice Pres., Roger Bunde; Sec.-Treas., Troy McCarthy; Historian, Tim Milligan.

LIBRARY CLUB

To further interest in books and other materials and to serve the student body in helping with the needs of the library program are the major purposes of the Helix Library Club. This club, which is a social-service club, is open to any student with at least a "C" average who is interested in the library and who regularly attends meetings. The club sponsored a workshop to teach students the use of AV materials and also provide pages for the evening library program. The members of the club held an installation dinner in the fall and took field trips to the Law Library and to the University of California at San Diego at the beginning of the year.

TORCH & SABRE

The Torch and Sabre is a military club composed only of members of the 174th Battalion of the California Cadet Corps. Led by President Mike Holden, Vice President Rees Barr, and Secretary Treasurer Jeff Carson, the club upheld its motto, **Essayons,** Let Us Try, by advancing its members' interest in military science and by discussing and settling problems which might arise in the corps. They took camping trips throughout the year and sponsored the Coke Booth at the annual Hoot-Mon Night.

President, Mike Holden

The Intruders, the Helix Car Club, is a new club at Helix, having been formed at the beginning of the second semester. The club, which is open to all boys who are interested in the mechanics and exhibition of fine cars, requires a driver's license and access to a car for membership. This year the club, led by President Dean Spooner, Vice-President John Rubin, Secretary-Treasurer Steve Peters, and Advisor Mr. Cox, held a car show during lunch to interest students in the club and to display their roadsters and other fine cars. They also held a Trouble-Shooting contest and set up a Safety Check Station.

ACTIVITIES

The clash of symbols, a cheering crowd, election speeches, or perhaps the bustle of girls' league activity are all a part of student life echoing through our Highland halls. This is where the students take over and strive for victory through leadership. Leadership is a word supported by student participation.

At Helix we have great student participation. This participation is shown through the many fine activities offered to the student body. Among these are our great marching band and talented Hi steppers; a hard working student government class; the spirited, vigorous cheerleaders; the unique, interesting assemblies. All of these student supported activities have created a truly New Helix.

The following pages of the **TARTAN** exemplify this very important part of student life at Helix, the activities.

Armida
It has been fun ~~the~~ sitting by you this year hope we get classes together next year. Have a lot of fun this summer and good luck in the coming years. Stay sweet and happy.

PAU!

F.E.T.H.

We of the TARTAN staff hope you use this space to its best advantage.

(Reserved for Lizzy)

Querida Amiga,

Arty, I've really and truly enjoyed having you as very good "cousin"! You're so very sweet, and alot of fun to be around & please never change!

Remember all of the fun we had going out with Willie & Dickie & hum-hum - right? right! How about the time we went to Imperial Beach & how I got so embarassed at Oscar's.

I sure hope we can have alot more fun this coming summer & next year too!! Hey - don't forget we're supposed to go to all of the great football games - & the wrestling matches - & the track meets - & maybe even some of the baseball games - o.k.??

Thank you for staying here for most of the summer - I don't know what I'd do not hearing from you or anything!

This summer you, Pat, & me should get together so we can go out & have a blast! There's gonna be some dances & we'll have to try & go. But first - maybe I'd better take some more dancing lessons from Pat - huh?! (ha-ha)

Well, all of the cute guys are gone - so I'll try & finish writing this full page!

I hope we do get to go over Pat's some night soon - especially if Bobby is gonna be there - huh?!

Good luck as a sophmore next year & in all you do.

Love Always,
Your Prima,
Liz

P.S. Be good especially when driving Bob's car! You're dangerous, ooo

BAGPIPE BAND

The flash of swords, the rumble of drums, and the sound of bagpipes bring forth the picture of our marvelous Bagpipe Band.

The Bagpipe Band, which was instituted in 1951, has become a tradition at Helix. They spend many hours practicing their routines in order to bring all Highlanders a glimpse of the original Highland songs and dances. This group performs at football halftimes, as well as in parades. Each of the twenty-five members deserves the congratulations of the Helix Student Body.

These lovely lassies enlightened many a half-time performance. Their clever routines and novel ideas intrigued their captivated audiences. During marching season they presented precision, showmanship, and fine ability, incorporated into a winning routine. Our twirling team always placed high during competition. This unique group, being the only twirling team of the Grossmont District, gave our award-winning marching band an added highlight.

Dora Fennig

PRESIDENT — Dave Lewis

Under the capable direction of these inspirational leaders our fine Highlander Band broke through another year as a top award winning band of Southern California. Gene Corporon, clad in his "Scotish Regalia," has been an outstanding drum major and a truly important figure on the field at half-time as well as on the march parades. We certainly create a picture of elegance as our Highlander unit passes by.

HAND CORPS

As the flags twirl and the hands wave, the audience sees a truly dedicated group of girls performing their routines. This group is the tremendous Helix Flag and Hand Corps. They begin practice during the summer in order to be able to perform at football half-times, to march in parades, and to participate in competitive activities. Although they put in many hard hours of practice, the Specialty Corps has a fun-loving time through the year. The Corps has many social activities during the year such as slumber parties and skating parties. This is the best activity on campus for girls. It is easy to see that our Specialty Corps works hard to obtain high ratings, and at the same time has a good time doing it.

Thanksgiving season is the setting for the Canned Food Drive. The purpose of this committee is to collect cans in order to feed the needy people of our area so that they, too, may be thankful.

Thank you Canned Food Drive Committee and Key Club.

COMMITTEES

The theme of this year's Christmas Dance was "A Fantasy of Stars and Candy Canes." Being Helix' only semi-formal dance of the year, it was enjoyed by all who attended. Each year a king and queen are selected and this year's royal pair was Byron Olander and Margo Flashaar.

Thank you Christmas Dance committee for putting on this wonderful dance.

SPORTS

. . . Participation in athletics is another important aspect of life at Helix. With outstanding individuals united in team effort and led by the guidance of a great coaching staff, Helix has developed a winning tradition. Its many fine teams have brought a certain amount of well deserved prestige to Helix.

The rewards of athletics such as becoming physically fit, developing leadership capacities, and becoming a good sport will last a lifetime. Winning the big game is the fulfillment of many personal sacrifices.

Athletics is also a form of relaxation and enjoyment for both the participant and the fan. The pride that the students of Helix have in their school is exhibited by the great spirit and support they give their teams.

Fierce competition, a winning tradition, and student support are all indicative of the next section of your 1965 **Tartan**, sports . . .

FOOTBALL

This year's outstanding Highlander Football Team once again shared in the Grossmont League Championship of which it has either won or had a part in for the last four years.

Led by such fine coaches as Mr. Vinton, Mr. White, and Mr. Feeser, the team displayed a superb overall record of 6 wins, 2 losses, and 1 tie. The varsity team also represented the Grossmont League in the San Diego CIF Football Playoffs.

Considered by many to be the strongest team yet at Helix, the varsity produced such outstanding players as Byron Olander, Grossmont Player of the Year and 2nd Team All-CIF; Barry Bronk, All-Grossmont and CIF Quarterback; and Tory Matheson, All-Grossmont and 2nd Team All-CIF Tackle. Also included in this list are All-Leaguers: Jim Coddington, Jim Konzen, Lynn Lowder, Jim Weir, Gary Alschbach, and Bill Klinger.

CROSS COUNTRY

This year's Cross Country team, coached by Mike Muirhead, compiled a 3-4 overall effort this season. Although hampered by a shortage of returning lettermen, the team produced many fine runners such as All Leagues Eric Russell and Rick Rubin, as well as Jim Person, Dick French, Jeff Sell, and Nelson Edwards. In addition, the Helix Harriers placed a second in the Aztec Invitational and were runner-ups in CIF competition.

The J.V. team ran up a 5-2 season record and should pace a strong varsity team next season.

The Freshmen made a fine showing, taking top honors in the Grossmont League.

Led by returning lettermen, Larry Bailey, Lynn Lowder, and Gene Lucero, Coach Speidel's varsity roundballers compiled a misleading 12-13 record in finishing in a tie for fifth in the Grossmont League.

The team played extremely well at times, upsetting such teams as CIF champions, San Diego High School. Next year promises to be a strong year with potential talent in John Ugrin, John Skalecky, Rick Barnes, and Stan Nobiensky.

Coach Nash's JV team this year, composed entirely of Sophomores, compiled a tremendous 17-2 record winning the Grossmont League championship. Much of its strength came from such varsity potentials as Mark Brown and Rick Barnes, who both played half the regular season on varsity and Rick Edwards, Joe Smith, Judd Carson, Kent Madsen, and Larry Creel.
Likewise, Coach Walker's Freshman team should make another great JV team with players like Greg Gleason, Mike Monahan, Bob Kellison, and Roy Gayhart.

WRESTLING

COACH KAHAN

This year's varsity wrestling team, coached by Robert Lucas, had a season record of 9-6. The team made a 7-2 non-league showing, but ran into tough league competition. The team was led by such fine seniors as Dave Young, Ron Coover, George Peterman, and Mike Simpson. The varsity was also aided by John Young, Robin Eady, Paul Heggie, Bob Nunez, John Thorsnes, Rory Nilsson, and Jeff Gibson. The future looks bright with these men returning next season. The J.V. team finished in a tie for the league. Their season record was 9-1.

TRACK

Due to **Tartan** deadlines, we are not sure of the exact final standings of this year's varsity track team. Led by Coach Muirhead, Coach Speidel, and Coach Maize, the team does, however, have excellent potential as League and CIF champions as it is now 5-0 in dual meets. Thin clads leading the way are Byron Olander, Bruce Thompson, Dick Heisel, Rick Olander, Marc D'Spain, Nelson Edwards, Steve Nobiensky, and Erich Russell.

FACULTY

. . . Learned individuals from various sections of the United States are united as the faculty of Helix High. Years of schooling and experience have contributed to the preparation of this important group of individuals. This preparation, which in many cases includes advanced degrees, is vital to this unique and highly distinguished profession.

Yet, how do students view this select group of people? At times, a student views a teacher as a serf would view his master. At other times, the teacher seems like an intimate friend and confidante.

In any event, it can be said that our students of Helix are aware of the importance of the faculty. The help, guidance, and the inspiration to learn is instilled in us by these dedicated people.

The next section of the **Tartan** is in recognition of the important work the faculty is doing here at Helix . . .

My congratulations to each member of the class of 1965 for your successful completion of 12 years of formal education. Many of you have achieved outstanding success in the academic areas during your educational experience while in attendance at Helix High. Your class is to be complimented upon the leadership and contributions it has made in enhancing the school program and for furthering the school's reputation.

It is important that each of you realize that you have completed the first step in your educational experience. Education is a continual process. Therefore it is essential that you are open to change and improvement in your professional and vocational goals. Your community needs your talents and skills; it is my hope for you that it will be a better place to live because of your leadership.

During the past fourteen years almost six thousand students have graduated from Helix High School. Some are doctors, lawyers or teachers; others are skilled technicians, housewives, or students in college. Wherever they are, whatever they are doing, we know they are true Highlanders, making us proud of their accomplishments. Keep up this fine tradition, come back to see us, and congratulations on a job well done.

Hazel Bole
Vice Principal

Your graduation from Helix High School marks the end of a beginning. To wherever your aspirations take you, may I send with you my congratulations and best wishes for outstanding achievement.

From this beginning, the responsibility for your education shifts from the State to you. In this highly competitive society, you will desperately need every additional hour of education or training you can manage. Regardless of the sacrifice you will make to continue your education, you will be repaid geometrically in personal satisfaction and in dollars.

I wish you every success in life, and may you send us teenagers as cooperative and responsible as you have been.

IN MEMORIUM MISS KING

November 1, 1899 — November 13, 1964

Miss King was born in India, the daughter of missionaries. She taught thirty-nine years; thirty-four of these were in the Grossmont District. Miss King was a member of the original faculty at Helix fourteen years ago. She organized the Science Department at Helix and was chairman of the department for six years. She recognized the need for newer methods in teaching, and she was eager to make changes. Many of her students went on to eminence in various fields of biology. Miss King passed away due to leukemia just after reaching her sixty-fifth birthday.

IN MEMORIUM MR. BONOMO

October 19, 1933 — August 20, 1964

Mr. Bonomo was raised in Flint, Michigan. He taught eight years, his last two years at Helix. Mr. Bonomo graduated from the University of Detroit with a degree in English and Latin and was working on his Master's degree. He liked teen-agers and enjoyed sports. He liked working with students so much that he taught a special seminar for accelerated students instead of taking a study period. Mr. Bonomo was also a religious man. He was scheduled to become the principal of a church school in Santee before he died in a tragic traffic accident.

ACKNOWLEDGMENTS

The Helix **Tartan** Staff of 1965 would like to extend its deepest thanks to all the people who have tried to make this year's **Tartan** a symbol of the new Helix.

Our thanks go to: . . . Miss Pearson, our advisor, who is new to the **Tartan** Staff this year . . . Her assistance has been greatly appreciated by its members.

. . . The office staff for helping us with our problems.

. . . The teachers for accepting our many transfer requests.

. . . Mr. Jack Lentz for his time in helping us assemble the **Tartan.**

. . . The Neyenesch Company for an excellent job in printing the **Tartan.**

. . . The S. K. Smith Company for the best cover Helix has ever seen.

. . . A special thanks goes to Boyd Anderson Studio for the Senior portraits and for taking and developing special pictures.

. . . Also to Mr. Ray, photography teacher, and a few of his students, whose services have been indespensable to the **Tartan.**
